

Christ Satisfies Chronicles

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you." Matthew 28:19-20

BIBLE STUDIES & DISCIPLESHIP

At Christ Satisfies Ministries discipleship and teaching God's Word is central. James meets one-on-one with 10-12 men each week for study, prayer, accountability and fellowship. He rejoices to see God's work in the lives of these men, their families and ministries.

For five and a half years we have been hosting a Friday Night Bible Study in our home. Our group has seen new people come and others move on. We've celebrated weddings and new babies. It is a blessing to meet with these brothers & sisters and grow together in the Lord as iron sharpens iron.

THE LAZARUS PROJECT

This past year has seen a huge increase in James' involvement with Lazarus — a transitional work program that provides employment for those deemed "unemployable." He was invited to be the group's official chaplain this past spring. Now along with teaching a Bible study at the jobsite on Wednesday mornings, he ministers there an additional 6-8 hours per week to build relationships with the men, provide biblical counseling and shepherding them in their walk.

JAIL MINISTRY

God has opened many opportunities for ministry to people in north Minneapolis through the jail Bible studies. James teaches 3-4 times each week at the Hennepin County jail in downtown Minneapolis. Routinely, he meets men in the jail that know him from his evangelism & ministry in the neighborhood. Upon release, several former inmates have seen James working in the community.

Some have even attended our church upon their release. Praise the Lord for His wisdom and providence.

2010

BLESSING OUR NEIGHBORS

CSM was blessed to minister to our neighbors in north Minneapolis with a number of different outreaches in 2010:

Easter Bags, PowerPacks and Boxes of Love. These ministry opportunities enable us to reach our community with Christ's love both in meeting practical needs and sharing the gospel message of redemption in Jesus Christ. An added blessing is that we get to do these outreaches as a family. Praise the Lord!

LOCAL CHURCH

James continues to minister within our local church, Family Baptist. He teaches an adult Sunday school class weekly, which is currently studying the Book of Romans. He is also blessed to teach students who are in the 3rd through 6th grades. They have been studying redemptive history and are preparing a Christmas presentation, "Creation to Christ," for the church.
